Clothes and accessory ideas for stylish Mums and Kids

Suffolk. An eclectic boutique, selling labels such as Ghost, Whistles, Joseph, Out Of Exile,

And Noa Noa, there are now 4 DarcyB's in Suffolk!

In 2001 I relocated to south of Spain, Having sold DarcyB and moved into surf, beach and leisure wear and created the "Fluid"

Brand to run multiple outlets as owner /manager.

After 10 years in Spain and missing UK, we decided to move to Richmond. I quickly set up

A Noa Noa shop, having known the brand from DarcyB days. I love being under the umbrella of a big company and have just returned from beautiful Copenhagen (Noa Noa is Danish) on an Annual GM and jolly for all Noa franchise holders in Europe .

together, romantic, eclectic and elegant and the are proving to be a great match.

If I continue to be successful, I will be opening a childrens Noa Noa,

due to popular demand,

At a separate location in Richmond town.
